

CABLESKI - SEMINAR 2008

March 29-30
Warsaw - Poland

The Cableski Council welcomes those who are interested to the Cableski Seminar.

This Seminar in 2008 will take place in Warsaw, Poland.

The hotel is the airport hotel Lord : website : www.hotellord.com.pl.

The Seminar will start on Saturday 29 March at 9.00hrs and will finish Sunday 30 March at lunch time.

Topics that will be covered during the Seminar are :

- The Cableski rig (after the big success of last year, we found Bennie willing to repeat this session in 2008)
- Technical officer
- Trick writing (here we want to focus on pre-turns/after-turns on 540° and 720° turns ; execution of a flip, ...)
- Video trick timing - video jump
- Grand Prix of cable

Any suggestions for topics or questions are always welcome, please pass them to any member of the Cableski Council.

The calendar for 2008 looks great, our aim is to have a strong jury group and great competitions.

More details about accomodation can be found in following pages.

Contact person for accomodation is Michael Mos.

More details about the seminar will be posted on www.cableski.org
